

# MICHELIN PILOT SPORT CUP N3 & N3R

## SPECIFICALLY DEVELOPED FOR THE **PORSCHE 911 GT3 CUP (992)**

### **GRIP AND LONGEVITY**

Composed of a different mixture of front and rear axles, it provides grip and durability.

### **VERSATILE**

A unique tread compound that enables the tire to perform in all conditions.

### **CONSISTENT PERFORMANCE**

Architecture inspired by GT500 and WEC and adapted for Porsche race formats, it guarantees consistent performance throughout the race.

**Ø18"**

#### Technologies:

MICHELIN  
**TRACK LONGEVITY 2.0**  
TECHNOLOGY

MICHELIN  
**DRY ADAPTIVE  
COMPOUND**  
TECHNOLOGY

MICHELIN  
**RFID**  
TECHNOLOGY

As with every project, whether on the track or on the road, MICHELIN is committed to designing and supplying tires that are perfectly suited to Porsche vehicles, in order to take full advantage of their potential.

**PORSCHE**

DIAMETER / DIAMÈTRE	SIZE / DIMENSIONS	COMPOUND / CRAN	CAI	RFID
18'	30/65 - 18	N3	530030	✓
	31/71 - 18	N3R	242655	✓
