

MICHELIN PILOT SPORT GT P2L

DESIGNED FOR **WET AND DRY TRAILS**

Grip **GRIP**

The tread pattern ensures good water evacuation in the wet, while maintaining performance in the dry. The two longitudinal lines limit the risk of aquaplaning.

MICHELIN PILOT SPORT GT P2H

A **FULL-WET** CIRCUIT TIRE

Grip **GRIP**

Thanks to a high groove rate, the tire has great evacuation potential with very high water levels.
